

Global Relay Message

Empower Collaboration

The Association of Professional Compliance Consultants (APCC) and Global Relay have teamed up to provide APCC member organisations with a secure, dependable, and effective instant messaging system: Global Relay Message.

Global Relay is the leading provider of cloud archiving, information governance, surveillance, and eDiscovery solutions to the global finance and other highly regulated industries. It developed Global Relay Message to help organisations meet their communication, collaboration, and compliance requirements.

IN ASSOCIATION WITH

THE GLOBAL RELAY MESSAGE ADVANTAGE

Instant Communication

- Communicate with other APCC members more quickly than with email
- Receive message sent, delivered, and read notifications
- Get all the latest updates and event information in real time

Real-time Collaboration

- Collaborate with users within your firm and across the APCC community
- Conduct private and public discussions via the appropriate working group channels
- Never miss a message when moving between web, desktop, and mobile devices

Security & Compliance

- Be confident that all messages exchanged within Global Relay Message are secure
- Optionally archive your conversations for compliance and supervision

Guaranteed Delivery & Offline Messaging

- Know every message you send will be received in the order you send them
- Create messages offline, knowing they will be sent once your client is back online

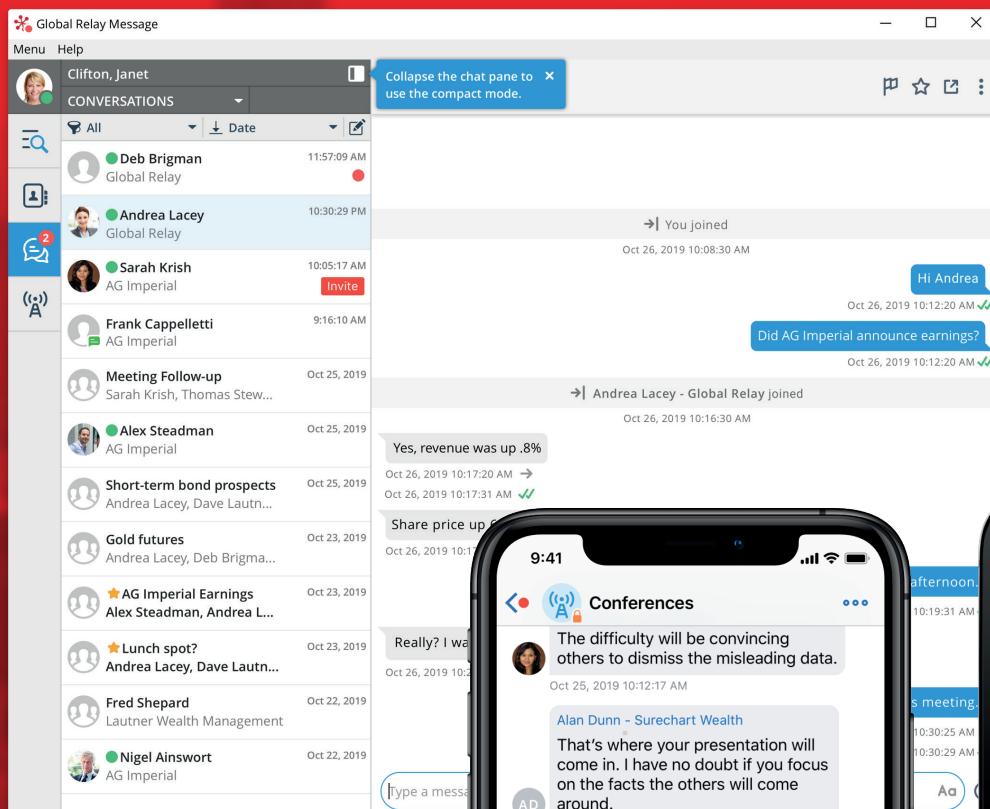

Company Channels

- Encourage team collaboration within your organisation using open or restricted channels supporting an unlimited number of participants

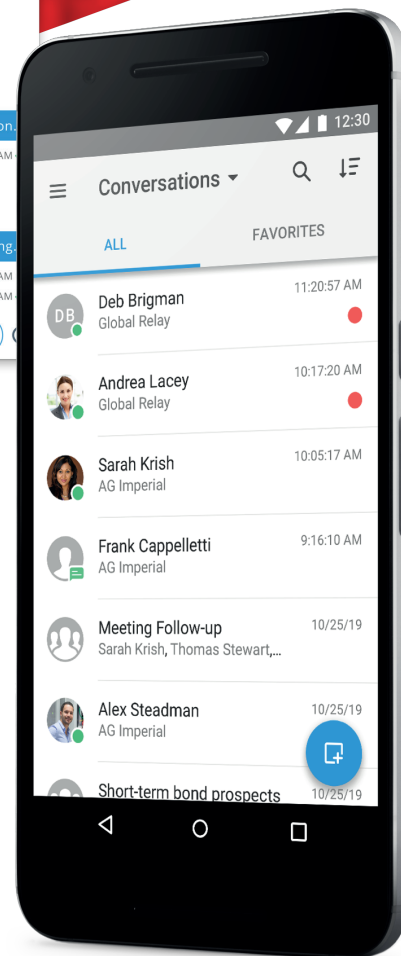

Community Channels

- Create private channels for business discussions and customer support or public channels for collaboration with peer groups and industry experts

REAL TIME SYNC BETWEEN
DESKTOP AND MOBILE

GETTING STARTED

As an APCC member, signing up and using Global Relay Message is as easy as 1-2-3:

1. Reach out to Gabby at gabby.holloway@apcc.org.uk or the Global Relay Message team at message@globalrelay.net
2. Receive a welcome email with your login credentials and setup instructions
3. Exchange instant messages with other users

Registered already? Great! Your login ID is: firstname.lastname@members.apcc.org.uk

Forgot your login ID and/or password? No problem! Email us at **message@globalrelay.net** and we will reset your password.

Happy Messaging!
